Is there a trade visitor day?

No, the Munich Show is open to the trade as well as public on all three days of the event. However, in the Gemworld Connect trade area, some exhibitors generally sell only to designated resellers.

How can I register as a trade visitor BEFORE the event?

Registration **prior** to the event and the subsequent purchase of tickets in the ticket shop at www.munichshow.de are possible by uploading the business certificate/company's registration. Entrance tickets can only be purchased with the imprint "trade visitor ticket/dealer ticket" once the legitimation has been carried out manually by us and confirmed in writing. If you have any problems with the upload, please contact us by e-mail at besucherservice@munichshow.com.

How can I register ON SITE as a trade visitor?

On site in the Entrance EAST, there are high tables with registration forms (GEOFA form) on display. These are to fill in or stapled together with a business card/copy of the business certificate/company's registration and handed out at the ticket desk. There you will receive tickets with the imprint **trade visitor/dealer** on the purchased ticket.

What is different in 2022 than usual?

Please note the **changed hall structure** this year: The Munich Show will take place in halls A6 (Gemworld), A5 and A4 (Mineralientage München).

In addition, the **Oktoberfest** in Munich will take place at the same time from September 17 - October 03. Please arrange your accommodation during the Munich Show in time!

Why does the Munich Show take place so early?

Messe München has postponed the **world's largest construction machinery trade fair "BAUMA"**, which was cancelled due to the Corona pandemic, to **October this year**. BAUMA occupies the entire trade fair center for several weeks and forces a relocation as well as a compressed execution of all other trade fairs usually held during this time.

Why has the hall layout changed?

Due to the BAUMA construction already running in parallel as well as two other events taking place on the grounds at the same time, **only three (!) exhibition halls (A4, A5 and A6) are available for the Munich Show 2022**. Due to this space restriction and in order to enable as many exhibitors as possible to participate again after two Corona years, the hall structure had to be adapted. We ask for your understanding for these changes.

Which assortments are represented at the Munich Show?

In the area "**Mineralientage München**" you will find:

Minerals, fossils, meteorites, rough stones, tumbled stones, handicrafts made of stones as well as accessories.

In the area "**Gemworld**" you will find:

Jewelry, high-quality gemstones, pearls, amber, gemstone art and accessories.

What is the special exhibition theme in 2022?

The special shows this year are themed "**Magic of Stones**". The mineral special exhibition is in Hall A5; the Alpine area with special showcases, the collectors' showcases and the fossil special exhibition is in Hall A4.

The accompanying theme book is available at the trade fair for EUR 28,- at the cash desks and can be ordered by e-mail to besucherservice@munichshow.com plus shipping costs (within Germany 8,50 EUR – within EU 19,90 EUR - outside EU 47,50 EUR).

By entering the event grounds/exhibition halls or purchasing an admission ticket, the persons present automatically consent to publication free of charge in the above-mentioned manner without the need for an express declaration by the person concerned. If the person in question does not agree to publication in individual cases, please notify the photographer responsible for finding the subject immediately.
